(14th and 15th of October, 2025)

OVERVIEW

Abhiyantriki 2025 is a two-day annual technical festival of K. J. Somaiya School of Engineering which aims to give a platform to all engineers to showcase their unique skills through a wide range of competitions like coding events, workshops, robotic events and many more fun filled activities which will be conducted this year. The event highlights innovations and cutting-edge technology from all over India. In the past, we are proud to have been associated with organizations like **The Indian Navy, The Indian Army, Indian Air Force, Rapid Action Force, National Security Guard, ISRO, BARC, IMD, BDDS, HAL,** and Sponsors like **Hitachi, Vivo, Boat, Cadmatic, Grey Atom, British Council, Xiaomi, UPL, Bank of Baroda, Radio Mirchi, OLA, Maharashtra Times, TATA, Oracle Academy, Balaji Wafers, VLCC, Education Times etc.**

HIGHLIGHT EVENTS

- **ISRO:** Abhiyantriki 2024 proudly hosted Mr. Kumar Krishnamoorthy, former Deputy General Manager at ISRO, who captivated the audience with insights from his 37-year-long career. A specialist in liquid rocket engine fabrication, he shed light on India's advancements in space technology and shared his invaluable experience in rocket science and satellite missions.
- **National Security Guard:** Abhiyantriki 2023 featured the NSG, who captivated the audience with a thrilling display of their advanced weaponry and precision tactics, showcasing their exceptional skills and operational expertise.
- **The Indian Army:** Having the prestigious Indian Army showcase their infantry unit in Abhiyantriki 2022, opened up an entirely new field of curiosity and proved to be a highly educational experience.
- **Rapid Action Force:** The event also highlighted the RAF, who demonstrated their elite capabilities through live tactical exercises and cutting-edge equipment, impressing attendees with their strength and strategic prowess.
- **BDDS (Bomb Detection & Disposal Squad):** Abhiyantriki 2022 witnessed the presence of the BDDS and a display of their equipment, along with a dedicated seminar explaining different bomb disposal tactics and techniques.
- **The Air Force Expo:** With the Indian Air Force bestowing honour on Abhiyantriki 2020, Abhiyantriki becomes the first technical festival in India to witness the might of all the three wings of the Indian Armed Forces. Exhibits showing static and models showcasing their research and development.
- **Indro 5.0:** The Architecture of INDRO 5.0 uses Machine Intelligence Mechanisms And Machine Learning Algorithms. This 8-Axis Humanoid has the ability to perform all complex human actions.
- **MITRA Robot:** Mitra is programmed to greet customers and interact using facial and speech recognition, contextual help and autonomous navigation. The robot is fully

manufactured and assembled in Bengaluru. Its body is made of fiberglass and is equipped with a touchscreen.

- **Shalu Robot:** Robot Shalu is the homemade, artificially intelligent, multilingual, social and educational humanoid robot, made-up of waste materials, that can speak 47 languages.
- **Indian Meteorological Department:** Exhibits showing static and models showcasing their research and development.
- **Internship Expo:** Opportunity for companies to interact directly with students and offer internships on-the-spot.
- **Tech Expo:** Platform to display cool, innovative and new technical projects by the students.
- **Auto Expo:** Exhibition of Luxury/Sports/Vintage cars like BMW M5 Motor Sport & Bikes like Goldwing, Repsol 1000cc, BMW 1000rr.
- **Startup Expo:** The startups participating in the expo pitch the Angel investors, incubators, venture capitalists.
- **Ideate:** With the increasing demand for innovation and out of the box thinking, KJSSE aims to foster an environment for thinking and creating. With Ideate we aim to get students to put pen to paper, put their thinking caps on and think. In the previous year, we had the following topics:
 - Development of a Next-gen micro location API for enabling precise location sharing (Building an application for the same): By **UNL**
 - Encountering marine & coastal threats: By **NRDC**
 - Defeating the Mishaps: By the State **Transport Ministry of Maharashtra**
 - Reversing Global Warming: By **BARC**
 - Superior Customer Experience: By **TCS**
 - Land mapping using ANN: By **NRSC**
 - Autonomous Self-improving Robots: By **AICRA**
 - Cost-effective technological solutions for recycling Multi-Layer Plastic waste: By **MPCB**
 - Solution for detecting potholes in flooded roads and alerting drivers: By **National Innovation Foundations**

Lecture Sessions: In the past, the following personalities have graced our campus with their presence:

- Former President of India, **Late Dr. A.P.J. Abdul Kalam** ○ **Raghuram Rajan**, former RBI Governor. ○ His Holiness the **Dalai Lama**.
- Former Chief Minister of Maharashtra, **Prithviraj Chavan**.
- **Dr. Harsh Vardhan**, Minister of Science and Technology and Earth Sciences.
- **Rohit Suri**, Vice President, Jaguar India.
- **Zakir Hussain**, renowned Tabla player and Music Composer.
- **Rajkumar Hirani**, award winning director, screenwriter and film editor.
- **Stephen Fleming**, former captain, New Zealand Cricket team and New Zealand Education Brand Ambassador.
- **Dr. R.Chidambaram**, former Director, Bhabha Atomic Research Centre (BARC) and was also the Chairman of the Atomic Energy Commission of India.
- **Dr. Jayant Narlikar**: An Indian Astrophysicist and emeritus professor at **IUCAA**, he has developed the conformal gravity theory known as Hoyle-Narlikar theory with **Sir Fred Hoyle**. He is honored with Padma Bhushan and Padma Vibhushan- one of the highest civilian awards of India
- **Mr. Arogyaswami Paulraj**: Known as the father of MIMO, he has served the Indian Navy and is Professor at Stanford University. He has achieved the Marconi prize for his excellent work and also Padma Bhushan by the Indian Government.
- **Shri A.S. Kiran Kumar**: Former chairman of ISRO, he is credited with the development of key scientific instruments aboard the Chandrayaan-1 and Mangalyaan space crafts.
- **Dr. Subramanian Swamy**: An Indian politician, economist and statistician. Before joining politics, he was a professor of Mathematical Economics at the Indian Institute of Technology, Delhi.
- **Mr. Sandeep Jain**: The CEO & Founder of Geeks for Geeks, a platform widely used by all aspiring engineers.

- **Fun & Informals:** Fun Events like Drone Racing, Laser Tag, Counter Strike, PubG, FIFA & PlayStation.
- **Robotic Events:** Obstacle Avoiding, Line following events, Robo Wars, etc.
- **Coding Events:** Hackathon, Crack-a-thon and online coding challenge.
- **Panel Session:** A panel session giving insights into technology, entrepreneurship and other industry specific topics by great personalities

CONDUCTION OF EVENTS

Here's how we plan to conduct various competitions:

1. **Technical Event:** This year we plan to conduct many technical events such as a hackathon as a pre-event, stimulation competition, cad-clash, treasure hunt.
2. **Speaker / Panel session:** The conduction of this session will be done in the college's auditorium via pre-booking seats method.

3. **Internship Expo:**

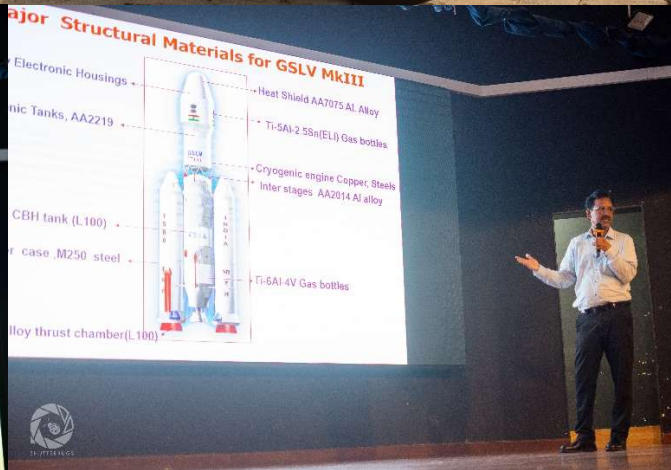

Online: Zoom will be used for this event as separate rooms there with different companies can be created. Resumes of applicants will be sent to the companies beforehand. Only shortlisted candidates will be called for the main day event.

Offline: Resumes of applicants will be sent to the companies beforehand. Only shortlisted candidates will be called for the main day event. On the day of the event each company will be allotted a separate section for conducting the interviews.

4. **Ideate:** Ideate will be conducted in classrooms where the teams will be presenting their ideas and the judging panel can judge them on the same.
5. **TechExpo:** Various organizations can display their work on various projects in KJSSE College Campus. Each project will be provided with space to set up their project on campus.
6. **AutoExpo:** Exhibition of Luxury/Sports/Vintage cars like BMW M5 Motor Sport & Bikes like Goldwing, Repsol 1000cc, BMW 1000rr.
7. **Informal Event:** Games such as CS GO, Valorant and CODM will be conducted by reputed gaming companies.

SOCIAL MEDIA PRESENCE:

<https://www.instagram.com/kjsselive?igsh=bWdyYnE2cmxla2Rs>

We can meet up (if based in Mumbai) or connect over Google Meet for further discussions. We would love to work with you! Please feel free to get in touch with us in case of any queries.

Thank you.

Warm Regards,

Harshika Masand,

General Secretary.

KJSSE Students' Council 25-26.
